| WA-247-C-1 | EXTERIOR PERSPECTIVE OF CARRIAGE HOUSE
SHOWING RELATIONSHIP TO MILK HOUSE, LOOKING
NORTHWEST. (The carriage house was built by William B.
Engle at the end of the 19th century, with carriage storage on the
ground floor and a workshop above. Later, his son, Ralph Engle,
used the ground floor as a car garage.) |
| WA-247-C-2 | SECOND FLOOR INTERIOR OF CARRIAGE HOUSE
SHOWING WORKSHOP SPACE, LOOKING NORTHWEST.
(This workshop was originally built and used by William B.
Engle. His son built a new workshop space in the tower house in
1911.) |
